

Section 5

Will All Submissions Be Signed?

In order for USDA to sign a [Partnering with MyPyramid Memorandum of Intent \(MOI\)](#), the proposal must be consistent with the *2005 Dietary Guidelines for Americans*, as described in Section 6 and in the [Partnering with MyPyramid Message Guide](#). See Appendix 4 for the complete [Message Guide](#) to help you learn about the *Dietary Guidelines* and MyPyramid themes and messages. This information will help your company develop a proposal for an initiative that is consistent with the *2005 Dietary Guidelines for Americans*. Proposals that are consistent with the program criteria will be signed, dated, and returned.
